**Name:** Kristin Hall

**Briefly describe why you are interested in filling this position:**

I was introduced to ASPHN through Robin Stanton at a Nutrition Council of Oregon meeting which we both attend. Through this introduction, I was interested in learning more about the mission of the Association – advancing health through leadership. Logically, I joined ASPHN’s leadership program through this search and continue to increase my skills and knowledge of leadership within my current role as a public health nutritionist. I am interested to fill a role on the ASPHN Governance Committee to not only continue building my skills as a leader, but also to ensure other members have access to the same opportunities I have been given through this organization, to act as a mentor to other members, and to facilitate and disseminate knowledge of the Association and of the benefits of the Association to members and the benefits of public health nutritionists to the community at large.
