About ASPHN

The Association of State Public Health Nutritionists (ASPHN) is a non-profit membership organization that develops leaders in public health nutrition who strengthen policy, programs and environments, making it possible for everyone to make healthy food choices and achieve healthy, active lifestyles.

Our vision is to create new environmental norms where healthy eating and active living are the easy and natural choices for all Americans. We welcome your involvement in our growing organization. Learn more about us at [About ASPHN](#).
