Welcome New Members

About ASPHN

For All You Do, THANK YOU!

ASPHN thanks you, our members, for your meaningful contribution to the field of Public Health Nutrition.

Through your membership and involvement, the people of our nation are receiving quality nutrition leadership. We are proud to partner with you.

**Get Results:
Join the Pediatric Obesity Mini CoIIN**

ASPHN is excited to announce that the Pediatric Obesity Mini CoIIN is expanding to include 10 State Teams and will be extended until December 2017. Don't miss this opportunity to get results. [Apply today!](#)

The Pediatric Obesity Mini CoIIN helps state health departments in their work on the DP13-1305, Domain 2 strategy to improve nutrition and physical activity in early care and education (ECE) settings.

Bring the power of the CoIIN to your state. [Click here for the 2017 Information Packet and Application.](#)

What is a CoIIN?

CoIIN is described as a team of self-motivated people with a collective vision who share ideas, information, and work. CoIINs are known to achieve results quickly in response to complex health problems.

Contact [Sandy Perkins](#) for more information or questions.

ThhBecome a PHAP Host Site for CDC-

Funded Trainees

Apply now as a host site to 2017 Public Health Associate Program (PHAP). The host site application period is open January 3-19, 2017.

[Click here to learn about the opportunities and benefits of being a PHAP host site!](#)

PHAP is a two-year, on-the-job training program for early-career frontline public health practitioners who are employed by CDC and work in state, tribal, local, and territorial public health departments; community-based organizations; public health institutes and associations; academic institutions; and CDC quarantine stations.

Public health organizations have hosted associates working in a variety of public health areas, such as prevention of sexually transmitted diseases and other communicable diseases; chronic disease prevention; environmental health; public health preparedness; immunization; injury and violence prevention; maternal and child health promotion; accreditation; and access to health care.

About ASPHN

The Association of State Public Health Nutritionists (ASPHN) is a non-profit membership organization that develops leaders in public health nutrition who strengthen policy, programs and environments, making it possible for everyone to make healthy

food choices and achieve healthy, active lifestyles.

Our vision is to create new environmental norms where healthy eating and active living are the easy and natural choices for all Americans. We welcome your involvement in our growing organization. Learn more about us at [About ASPHN](#).
