**Partnerships** - Organizations with whom we have agreed to cooperate with in order to advance our mutual interests (Wiki). Our Partnership tally reflects the organizational name (the overarching umbrella name), but not every activity or collaboration that we engage with with the organization.

**Collaborations** - The cooperative way that we work together with groups toward a shared goal (Frey). Thus, collaborations could reflect multiple projects, workgroups, entities, etc., within the same partner organizations or completely different partners.

§ Designates Fiscal Partnerships - ASPHN provides funding to these organizations

T - True/Working Project is defined as a project that requires ongoing work on a specific product/project

A - Active Partnership is defined as a group that ASPHN Representatives meet with regularly that has short-term projects ASPHN is involved with PRN.
