

**Children's Healthy Weight CoIIN
In Person Learning Session Agenda
January 8 – 9, 2019
Bethesda, MD**

Outcome Objectives

Participants will:

1. Refine goals and action plans that will guide state work on the nutrition innovation driver.
2. Establish goals and action plans that will guide state work on work stream through out the second year.
3. Develop a plan to promote and share innovative stories from the State's Children's Healthy Weight CoIIN work.
4. Leave with concrete next steps.

Process Objectives

Outcome objectives will be achieve by:

- Describing concrete strategies to support team engagement in the collaborative process.
- Participating in interactive session reinforcing quality improvement concepts and methodology.
- Engaging/Interacting across states doing similar work.
- Exploring the evaluation process and its application to State's Children's Healthy Weight CoIIN project.
- Identifying resources available to states.

Remote Access

-  This icon indicates the session will be available remotely and archived for future viewing. Information on how to connect to the online sessions are on the last page of the agenda.

This project is supported by the Health Resources and Services Administration (HRSA) of the U.S. Department of Health and Human Services (HHS) under grant number, U7NMC30388, Pediatric Obesity CoIIN 2.0 (also known as the Children's Healthy Weight CoIIN) for \$300,000.
