- Previous service as a committee chairperson preferred.

Monthly BOD Meeting Minutes:
- The Secretary completes a roll call at the beginning of each meeting of the BOD and determines if there is a quorum.
- Record minutes and attendance for monthly BOD teleconference meetings using the consent agenda format.
  - Motions are bolded for easy identification. Motions originating from a committee or Board-approved task force or work group do not need to identify who proposes or seconds a motion, and instead should indicate that the motion and second came from the committee or task force. For example, “M/S (Committee Name)....”
  - Discussion items are only part of the Action Agenda section. Record notes and summarize discussion as appropriate, leaving out names. No first names are used in the minutes, just first initial and last name.
  - In the “Report Packet and Additional Files” column, note “No Report” or the page number in the BOD meeting packet if a report accompanied the agenda item. If an item under the Consent Agenda is to be discussed, the agenda item is moved to the Action Agenda section or the “Announcements/Information Oral Reports” section of the agenda.
  - Agreement on summary bullet points for posting on the website: At the end of each monthly BOD meeting, the BOD decides on what should be posted on the ASPHN website for members. Postings usually include new members, important motions and/or other time-sensitive information. The items are recorded in the minutes.
- Send draft of minutes (indicated by a watermark or “Draft” stated at the top of the minutes) minutes to President and ED soon after the meeting for review and to make additions and changes, if needed.

  • Executive Director (ED) will request BOD reports be submitted the Friday prior to the monthly BOD calls. Draft minutes from previous month will be distributed to BOD with the agenda for the monthly calls.

  • ASPHN consultants take the administrative steps of finalizing the approved minutes and posting on HyperOffice. The Secretary needs to assure final minutes are posted on HyperOffice in the file folder labeled, “Board of Directors Minutes.”

**Mid-Year Face-to-Face Meeting Minutes:** The Secretary is responsible for minutes during the official Board meeting, if held, during the mid-year meeting. The Secretary is not responsible for taking minutes during Board work sessions held during the mid-year meeting. Minutes can be the same format as the monthly minutes with the consent agenda or another format.

**Annual Meeting Minutes from General Membership Meeting:** Within the association’s Annual Meeting there will be a business meeting of the membership. The Secretary is to take minutes during this business meeting.

  • Complete roll call using the list of Designees from the ASPHN website. Call for attendees using State/Territory names in the event the Designee sent an alternate attendee. For annual meeting minutes, use the headings from the agenda for the minutes. There is no consent agenda to organize these.

  • Distribute previous year’s annual meeting minutes at the current annual meeting.

**Annual Election:**
The Secretary has a role in verifying the accuracy of the ballots that are distributed to ASPHN members. There is an “Annual Ballot Procedure” available from the Governance Committee that describes all policies and procedures having to do with the ballot and elected BOD members. Below is the role of the Secretary.

  • At least 3 months (90 days) prior to the annual meeting, the Governance Committee shall submit to the Secretary the ballot of nominees for the BOD, council representatives, and Governance Committee. The Secretary validates the list by ensuring the ballot has no errors or typos, the nominee’s names and state
abbreviations are correct, the nominees are listed on the website as members; verifying minimum number of nominees for each position as described on the ballot (e.g. at least three nominees if ballot directs to vote for three); and confirming types of positions on the ballot are correct.

Resignations:
• Resignation by any officer, Director at Large, council representative, or Governance Committee member must be in writing and received by the Secretary. The Secretary will submit a BOD report noting a resignation. A letter or email resignation will be part of the Board report. Resignation will be documented in the Board minutes.

Other:
• The Secretary shall perform other duties as may be prescribed by the Board of Directors or the President.

Position Benefits and Time Commitments:
