Opportunities abound!

Our Mission

To serve as an organized voice of state public health nutrition leaders in public health planning that affect fruit and vegetable consumption.

Our Vision

Strong policies, programs, systems and environments that increase access to and support consumption of fruits and vegetables.

“Making healthy choices, easy choices.”

JOIN TODAY! Simply email [Amber Brown](#). For additional details about the National Fruit & Vegetable Nutrition Council, please visit our [web page](#).

The National Fruit & Vegetable Nutrition Council is a council of the Association of State Public Health Nutritionists (ASPHN), a non-profit membership organization. For more information visit:
